Guest Soloist
Mr. Michael Ludwig

Violinist Michael Ludwig's multi-faceted career has taken him across four continents, appearing as a soloist with the Chicago Symphony Orchestra, Philadelphia Orchestra, Boston Pops, KBS Symphony in Seoul, Korea, Beijing Symphony, and Shanghai Philharmonic Orchestra amongst others. Michael's discography includes recordings with the London Symphony Orchestra, Royal Scottish National Orchestra, Buffalo Philharmonic, Virginia Symphony, and Lithuanian National Symphony Orchestra of concertos by Beethoven, Sibelius, Wieniawski, Corigliano, Bruch, Dohnanyi, Hagen, and Fuchs.

Passionately committed to education, Michael has served as Adjunct Professor of Music (Violin) at the Jacobs School of Music at Indiana University and Artist-in-Residence Professor of Violin at Montclair State University's John J. Cali School of Music, and is the Music Director of the Roxborough Orchestra in Philadelphia. Michael and his wife Rachael maintain private teaching studios in Cherry Hill, NJ teaching violin and viola lessons via FaceTime, Skype, and Zoom, and look forward to returning to in-person lessons as public health conditions permit.

Michael formerly served as Associate Concertmaster of the Philadelphia Orchestra and Concertmaster of the Buffalo Philharmonic.

The Cherry Hill East Music Boosters play an important supporting role in our award-winning Cherry Hill East Music department.

Joining the Music Boosters: The cost to run this extraordinary Music Department exceeds the funds allocated by the Cherry Hill school budget. Without the Music Boosters, basic needs such as instrument repairs, replacement of defective music stands, microphones, soundboards, and even things as simple as even making sure there are enough copies of sheet music, would not happen. Membership dollars go directly to support these basic needs. The Boosters also record the concerts, run the Live-stream and maintain the video library for those that may not be able to attend the live performances.

Volunteering: What the East Music Boosters do goes well beyond raising money. Boosters volunteers help the many programs and services throughout the year. We encourage you to become a booster volunteer.

A letter from our Music Boosters President:

Thank you to all those families that have supported the music boosters this year and in years past. We are so fortunate to have your support to help provide for many of the things our music department does not have or can't afford. One such item paid for and run by the Boosters is tonight's live stream service. Unfortunately the number of families joining has been declining for the past few years and the past 2 years have been particularly rough by being moved out of the auditorium in 2019-2020 and then the pandemic this year. The overwhelming majority of our funds come from memberships as we do not do other types of fundraising like most other booster groups.

The good news is that it is still not too late to help. You can contact any of the board members through our website (https://www.eastmusicboosters.org/) if you would like to volunteer. You can also still join or make an extra donation via our booster page.

Membership is voluntary and usually comes with thank you gifts like T-shirts and program ads and concert DVD's depending on the various levels of membership but this year we are limiting T-shirts to those who have already joined since we already had to place orders for the shirts. There will not be program ads since there are no paper programs but we will be distributing DVD's by request for performances from last year as well as this year. If you are a member at the appropriate level and would like a DVD please contact any of the board members.

Thank you for your support!
